

CHAMBER FINANCE FINDER

Powered by Swoop

INTRODUCING FINANCE FINDER

British Chamber of Commerce members are looking forward to growing great businesses around the UK. Crucial to the success of the BCC's member businesses is access to finance solutions that will protect their current and future financial health.

The Chamber is therefore delighted to provide the Finance Finder service, powered by our partners at Swoop alongside the British Chambers of Commerce. Chamber members can access the tool via the Chamber portal. By creating a free account on the Finance Finder you can discover all available finance opportunities, including loans, grants, and equity investment, whilst keeping track of your applications progress.

Chamber members can also enjoy the following benefits:

- 5 days a week Chamber Finance Finder hotline
- Free financial health assessment for Chamber members
- Templates and tools to aid applications
- Financial updates accessed via your Chamber newsletter

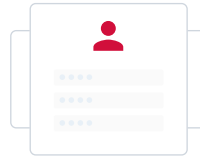

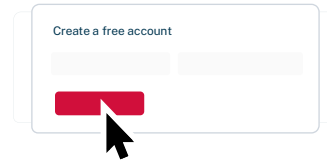

THE JOURNEY

You can quickly and easily build your profile, check your eligibility and connect to multiple funding options.

Getting started is easy

Simply register and answer a few short questions to check your eligibility

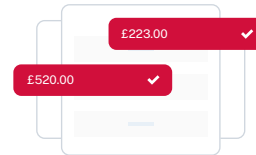

1

Build your profile

Integrate your Companies House, cloud accounting and online banking and access your personal dashboard to manage your funding.

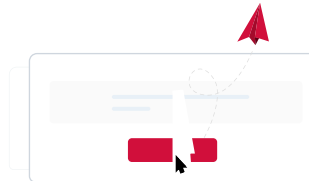

2

Get matched to funding opportunities

Our technology will match you with all suitable products and suggest the most relevant solutions across loans, equity and grants.

3

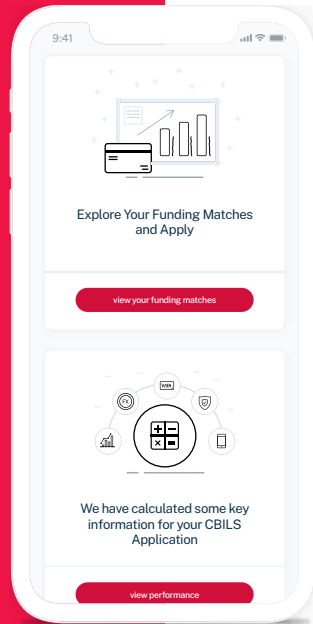

Submit applications easily

Keep updated with changing circumstances and easily submit your applications to relevant funding providers.

4

By using the Chamber Finance Finder members will have

Simple and fast access to funding

Access to every finance opportunity on the market

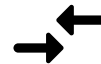

Ability to check your eligibility for local and innovation grants

A team of experts to manage your application from beginning to end

Tracking of your progress via our online portal

Compare business savings from insurance to current accounts
