

SKILLS SUPPORT FOR THE WORKFORCE

Develop the skills to grow your business

Fill your business's skills gaps with fully funded training.

Skills for Growth in the **Black Country** is supporting eligible businesses to develop and implement bespoke, funded training plans, helping to meet their growth ambitions by satisfying their workforce's immediate and long term skills needs.

Funded by

European Union
European
Social Fund

We can provide tailored training programmes, subsidised with **European Union funds**, if you are a business based in the **Black Country** area, and operate in one of the following sectors:

- **Advanced manufacturing, including engineering, logistics and food & drink**
- **Building technologies and construction**
- **Transport technologies, including aerospace and automotive**
- **Business services**
- **Environmental technologies**

Or local growth clusters:

- **Dudley – Visitor Economy**
- **Sandwell – Food and food technology**
- **Walsall – Health and social care**
- **Wolverhampton – Creative and cultural industries.**
