

BRIEF SUMMARY ON “INVEST IN KONYA-KARAMAN REGION”

Mevlana Development Agency (www.mevka.org.tr) is a regional development agency in TR52 Region of **Turkey** which is working under the coordination of **Ministry of Development** of Turkish Government (<http://www.mod.gov.tr>). TR52 Region consists of two provinces Konya (<http://en.wikipedia.org/wiki/Konya>) and Karaman (<http://en.wikipedia.org/wiki/Karaman>). MEVKA is a governmental agency. Also there are **Investment Support Offices** in our agency. They aim to promote our provinces internationally, attract foreign investors and help them out after they establish their businesses with their license, permissions and other formal issues. ISO is a department for the investors willing to invest in the region, that operates as a One-Stop-Shop. It coordinates licenses and permits operations promote the investment climate of the region, provides free information to investors and entrepreneurs, is authorized in New Incentive System by Ministry of Economy. All the services of our offices are free of charge. As one of our duties, we are doing running two separate investment websites: "invest in Konya" www.investinkonya.gov.tr and “invest in Karaman” www.investinkaraman.gov.tr .
